ECOKLEAN
OXY POND CLEANER

- Removes algae stains and debris from waterfalls, streams and rocks
- Lifts debris to the surface with the power of pure oxygen
- Works on contact to keep hard surfaces clean

Treats 4000 sq. ft.

10 lb. (160 oz.)
FOR BEST RESULTS:
Remove excess debris by hand or brush before initial application. With pump turned off, apply EcoKlean directly to area to be cleaned. Wait 10-15 minutes before turning the pump back on.

PET, FISH & WILDLIFE FRIENDLY when used as directed, not intended for water used for human consumption.

ATTENTION:
Failure to use as directed, or sudden changes in water conditions not consistent with label, may result in loss or injury to aquatic life. Atlantic is not responsible for any loss of aquatic life.

KEEP OUT OF REACH OF CHILDREN:
Avoid dust inhalation. Avoid contact with eyes, skin and clothing. Wash with soap and water after use.

CAUTION:
Harmful if swallowed. Eye and skin irritant. Avoid contact with eyes and mucus membranes. In case of eye contact, flush with water for 15 minutes and call a physician. Do not ingest. If swallowed, do not induce vomiting. Drink water and seek prompt medical attention. If inhaled, immediately move person to fresh air and call a physician. In case of skin contact, remove contaminated clothing and wash the infected skin with water. Wash clothing before reuse. Contains sodium percarbonate and sodium carbonate.

STORE AT ROOM TEMPERATURE
SHELF LIFE: 3 YEARS

EcoKlean quickly and safely removes attached organics and algae stains from rocks, waterfalls, streambeds and anywhere else build-up occurs. Fast dissolving granules add oxygen to the pond, remove odors and when used regularly, can actually eliminate the need for disruptive, expensive complete pond clean-outs.

APPLICATION RATE:
Apply 1 scoop (1 oz.) for every 25 sq. ft. directly to the affected area once a week. If problems persist apply EcoKlean twice a week at the prescribed rate until desired results are achieved.
