ECOSOLV
LIQUID POND CLEANER

POND SIZE CALCULATION:
L x W x Avg. Depth x 7.5 = Gallons

PET, FISH & WILDLIFE FRIENDLY when used as directed, not intended for water used for human consumption.

CAUTION:
Individuals having known allergies, particularly to enzymes, should avoid contact with this product. Do not mix or use other water treatments while treating with EcoSolv. Harmful if swallowed or absorbed through the skin. Do not use EcoSolv with any fresh water crustaceans.

FIRST AID:
If on skin, thoroughly wash with soap and water and remove contaminated clothing. If in eyes, hold eye open and gently flush with water for 15 minutes. If swallowed, call a Poison Control Center or Doctor immediately for treatment advice.

STORAGE & DISPOSAL:
Do not contaminate water or feed. Do not reuse empty bottle. Rinse thoroughly before discarding in trash.

APPLICATION RATE:
Apply 1 oz. per 600 gallons once a week. Do not exceed the recommended dosage.

EcoSolv is the fastest water clarifier on the market for all water features including pond, pond-free, fountain or bubbler. Extra strength formula clears discolored pond water in as little as 48 hours. Do not exceed recommended dosage. EcoSolv requires heavy aeration to maintain oxygen levels and keep fish safe especially in hot weather.

FOR BEST RESULTS
Remove excess debris prior to treatment. It is recommended that Atlantic BioMax and ReClaim treatments be used 48 hours after EcoSolv treatment.

Treats 9,600 Gallons

STORE AT ROOM TEMPERATURE
SHELF LIFE: 3 YEARS

16 fl. oz.
