SHAKE WELL BEFORE USE

FOR BEST RESULTS:
Apply QuickClear to the area of greatest circulation to ensure the product will be dispersed throughout the entire pond.

POND SIZE CALCULATION:
L x W x Avg. Depth x 7.5 = Gallons

PET, FISH & WILDLIFE FRIENDLY when used as directed. Not intended for water used for human consumption.

PRODUCT NOTICES:
Do not use other chemicals while treating with this product.

ATTENTION:
Failure to use as directed, or sudden changes in water conditions not consistent with label, may result in loss or injury to aquatic life. Atlantic is not responsible for any loss of aquatic life.

KEEP OUT OF REACH OF CHILDREN:
Avoid contact with eyes, skin and clothing. Wash with soap and water after use.

- Flocculent clears pond water fast
- Clumps particles in the water column
- Use to clear water after heavy rains or prolonged heat spells

Treats 8,000 Gallons

QuickClear restores brilliant clarity to water clouded by sediment or organics by causing particles to clump together and drop to the bottom. Once out of suspension, debris can be easily filtered or vacuumed out. Supplemental aeration is recommended to maintain oxygen levels for fish especially in hot weather.

APPLICATION RATE:
Apply 1 fl. oz. per 500 gallons every three days until pond becomes clear.

STORE AT ROOM TEMPERATURE
SHELF LIFE: 3 YEARS

16 fl. oz.
