ReVive
DECHLORINATOR
WITH STRESS REDUCER

SHAKE WELL BEFORE USE

FOR BEST RESULTS:
Apply ReVive to the area of greatest circulation to ensure the product will be dispersed throughout the entire pond.

POND SIZE CALCULATION:
L x W x Avg. Depth x 7.5 = Gallons

PET, FISH & WILDLIFE FRIENDLY when used as directed. Not intended for water used for human consumption.

ATTENTION:
Failure to use as directed, or sudden changes in water conditions not consistent with label, may result in loss or injury to aquatic life. Atlantic is not responsible for any loss of aquatic life.

KEEP OUT OF REACH OF CHILDREN:
Avoid contact with eyes, skin and clothing. Wash with soap and water after use.

- Immediately removes chlorine, chloramine, heavy metals and ammonia
- Enhances protective slime coat of fish
- Use every time water is added or when moving fish

Treats 3,200 Gallons

ReVive quickly removes the fish-toxic chlorine, chloramines and heavy metals often present in tap water. ReVive is especially beneficial to Goldfish and Koi in times of stress because it thickens the slime coat that helps fish recover from cuts and abrasions.

APPLICATION RATE:
For new ponds apply 1 fl. oz. per 200 gallons. Apply at the prescribed rate whenever new water is added.
